

Kylena Dieterle

Architect

Dear Roslyn Bozzi,

I am thrilled to apply for the Architect role at Gensler. The opportunity to contribute to such an innovative firm aligns perfectly with my passion for creating transformative spaces.

With over a decade of experience at Foster + Partners, I have honed my skills in designing sustainable and impactful architectural solutions. My journey has been shaped by a commitment to excellence and a keen eye for detail.

Some key achievements from my previous roles include:

- Spearheading the **design of a LEED Platinum-certified building**, enhancing sustainability and energy efficiency.
- Leading a team on the **award-winning urban renewal project** in downtown London, rejuvenating community spaces.
- Collaborating on a high-profile cultural center project, where my design concepts increased visitor engagement by **over 20%**.

My expertise extends beyond design; I possess strong leadership abilities and am adept at managing multidisciplinary teams to achieve ambitious project goals. My certification as a LEED Accredited Professional underscores my dedication to sustainable practices.

Leadership and community involvement highlights:

- **Recipient of the RIBA President's Medal**, recognizing outstanding architectural innovation.
- Volunteered as a mentor for emerging architects, fostering the next generation of design talent.

Gensler's commitment to sustainability and community-focused design deeply resonates with me. I am particularly impressed by your recent work on the innovative urban park project, which exemplifies the firm's dedication to enhancing urban living. I am eager to bring my experience and passion for sustainable design to your team.

I am enthusiastic about the possibility of joining Gensler and contributing to your groundbreaking projects. I look forward to the opportunity to discuss how my background and skills align with the firm's vision.

Warm regards,

To

Roslyn Bozzi

Gensler

255 Granite Street, Manchester, NH
