

# Keeva Tsakos

Architect

Dear Rachell Militante,

I am thrilled to express my interest in the Architect role at Gensler, a firm renowned for its innovative designs and commitment to shaping the future of architecture.

With over a decade of experience at Foster + Partners, I have honed my skills in delivering groundbreaking architectural projects, combining creativity with technical expertise.

Some key achievements from my previous roles include:

- Spearheading the design of a sustainable office complex, achieving a **30% reduction in energy consumption**.
- Leading a multidisciplinary team on a high-profile urban regeneration project, enhancing community connectivity.
- Contributing to an award-winning residential skyscraper, recognized for its **innovative use of materials**.

In addition to my architectural prowess, I bring a wealth of skills in project management and digital design tools, complemented by a strong foundation in sustainable practices.

Leadership and community involvement highlights:

- Certified in LEED Green Building, demonstrating commitment to **sustainable architecture**.
- Recipient of the Young Architect Award, acknowledging leadership in innovative design.
- Active member of the local urban planning committee, advocating for inclusive cityscapes.

Gensler's dedication to transformative design and fostering community resonates deeply with my personal values. Your recent work on the XYZ project, which emphasizes sustainability and human-centric spaces, aligns perfectly with my vision for architecture that elevates everyday life.

I am eager to bring my experience and passion to Gensler, and I welcome the opportunity for further discussion. Thank you for considering my application.

Warm regards,

**To**

Rachell Militante  
Gensler  
215 W 17th Street, Cheyenne, WY
