

Janette Mourad

Business Analyst

Dear Gillian Dematties,

I am thrilled to apply for the Business Analyst role at Deloitte. The opportunity to join such an innovative and impactful company excites me immensely.

With over five years of experience at Accenture, I have honed my skills in data analysis, strategic planning, and project management, delivering solutions that drive meaningful results.

Some key achievements from my previous roles include:

- Led a cross-functional team at Accenture to **reduce project delivery time by 30%**, enhancing client satisfaction.
- Spearheaded a data transformation project, resulting in a **20% increase in operational efficiency**.
- Developed a predictive analytics model that **boosted forecasting accuracy by 15%** for a major retail client.
- Collaborated with a global team to implement a new CRM system, **improving sales tracking capabilities**.

In addition to my technical skills, I am certified in Agile methodologies and possess a knack for leading teams through complex challenges with clarity and focus.

Additional qualifications include:

- **Certified Business Analysis Professional (CBAP)**
- Recipient of the Accenture Leadership Award for outstanding project management.
- Active member of the Business Analysts Community, promoting best practices and knowledge sharing.

Deloitte's commitment to fostering innovation and community impact resonates deeply with me. I am inspired by your recent initiatives in sustainable business practices and am eager to contribute to a team that values integrity and excellence.

I am eager to further discuss how my experience and skills align with the needs of Deloitte. Thank you for considering my application. I look forward to the possibility of contributing to your team.
