

Teddi Ascoli

Dietitian

Dear Sharyn Fose,

I am thrilled to submit my application for the Dietitian role at NutriSystem. The opportunity to contribute to a company renowned for its innovative approach to nutrition and wellness resonates deeply with my professional aspirations and personal values.

With over five years of experience at Dietitians On Demand, I've honed my expertise in creating personalized dietary plans and leading client-focused initiatives. This background has equipped me with a robust foundation in evidence-based nutrition practices and a keen understanding of client needs.

Some key achievements from my previous roles include:

- **Increased client retention by 30%** through tailored nutrition programs at Dietitians On Demand.
- Led a team to develop a successful community outreach project, educating over 500 participants on nutritional literacy.
- Collaborated with healthcare professionals to implement a dietary intervention that resulted in a **20% improvement in patient health outcomes**.

In addition to my achievements, I hold a certification in Advanced Nutrition and have developed strong leadership skills that allow me to effectively guide teams toward achieving their goals.

Additional qualifications include:

- **Certified Nutrition Specialist (CNS)**, demonstrating advanced knowledge in the field.
- Recipient of the "Dietitian of the Year" award at Dietitians On Demand for outstanding service and commitment.
- Active member of the American Nutrition Association, contributing to community wellness initiatives.

NutriSystem's mission to provide accessible, science-based nutrition solutions aligns perfectly with my passion for promoting healthy lifestyles. I am particularly impressed by your recent efforts in developing sustainable meal plans, and I am eager to contribute to such impactful work.

I am enthusiastic about the prospect of joining NutriSystem and would welcome the opportunity to discuss how my skills and experiences align with your team's needs. Thank you for considering my application.

Warm regards,

To

Sharyn Fose
