

Patrica Werthmann

Estimator

Dear Vallery Galliford,

I am thrilled to apply for the Estimator role at Turner Construction. The opportunity to contribute to a company renowned for its innovative projects and commitment to excellence excites me.

With over seven years at Bechtel, I've honed my skills in cost estimation and project management, contributing to major infrastructure developments.

Some key achievements from my previous roles include:

- Spearheading a team at Bechtel that reduced project costs by **15% through innovative procurement strategies**.
- Leading the estimation process for a \$200 million energy project, ensuring **accuracy within a 2% margin**.
- Implementing a new software tool that improved efficiency and reduced estimation time by **20%**.

Beyond estimation, my PMP certification and strong leadership abilities enable me to guide teams effectively, ensuring projects meet both time and budget constraints.

Additional qualifications include:

- **Certified Professional Estimator (CPE)**, underscoring my expertise in precise cost forecasting.
- Recipient of Bechtel's Leadership Award for outstanding project management and team guidance.

Turner Construction's dedication to sustainable practices and community-focused projects aligns perfectly with my professional values. Their recent work on the innovative green building project resonates with my passion for environmentally responsible construction.

I am enthusiastic about the possibility of joining Turner Construction and contributing to its continued success. I look forward to the opportunity to discuss how my experience and skills can benefit your team.

Warm regards,

To
