Fleet Manager

Dear Alayah Monsrud,

I'm thrilled to apply for the Fleet Manager position at Geotab. The chance to contribute to a company known for its innovation in telematics aligns perfectly with my passion for optimizing fleet operations.

With over five years at Samsara, I've honed my skills in fleet management, focusing on efficiency and data-driven decision-making.

Some key achievements from my previous roles include:

- Spearheaded a project that reduced fuel consumption by **20%** through strategic route optimization.
- Led a team of 10, improving overall fleet safety standards and achieving a **30% reduction in accidents**.
- Implemented a real-time monitoring system, enhancing vehicle maintenance and reducing downtime by **15%**.

My expertise extends to advanced data analytics and strategic planning, which are crucial for driving operational success. I also hold a certification in fleet management, underscoring my commitment to excellence.

Leadership and community involvement highlights:

- **Certified Fleet Manager**, recognized for excellence in fleet operations.
- Awarded "Leader of the Year" at Samsara for exceptional team management.
- Active member of the Fleet Management Association, contributing to industry best practices.

Geotab's commitment to sustainability and innovation resonates with my professional values. I am particularly impressed by your recent initiatives in electric vehicle integration, which align with my dedication to environmentally friendly solutions.

I am eager to bring my skills and passion to Geotab and would welcome the opportunity to discuss how I can contribute to your team.

Kind regards,

To

Alayah Monsrud
