Physical Therapist

Dear Casidy Unavailable,

I'm thrilled to express my interest in the Physical Therapist position at Athletico Physical Therapy. The opportunity to contribute to such a respected organization, known for its commitment to excellence and patient care, excites me immensely.

With over eight years at ATI Physical Therapy, I've honed my skills and deepened my expertise in delivering personalized treatment plans and fostering patient recovery. My journey has been one of continuous learning and impactful service.

Some key achievements from my previous roles include:

- At ATI, led a team that reduced patient recovery times by **15%** through innovative therapy techniques.
- Developed a community outreach program that increased clinic referrals by **30%** within a year.
- Spearheaded a project that improved patient satisfaction scores to **above 95%** consistently.
- Implemented a training workshop that boosted team efficiency by **20%**.

Beyond these achievements, my advanced certifications in orthopedic manual therapy and dry needling complement my role as a mentor, where I guide new therapists in enhancing their clinical skills.

Additional qualifications include:

- **Certified Orthopedic Manual Therapist**, enhancing hands-on treatment effectiveness.
- Recognized with the **Excellence in Patient Care Award** at ATI.
- Active member of the **American Physical Therapy Association**, contributing to industry advancements.

Athletico's mission to empower people to live pain-free lives resonates deeply with me. I admire the organization's dedication to innovation and community well-being, and I am eager to bring my passion and experience to a team that values these principles.

I am enthusiastic about the prospect of joining Athletico Physical Therapy and would welcome the opportunity to discuss how my background, skills, and enthusiasm align with your team's goals.

Warm regards,

To
