

Birdella Lestingi

Production Supervisor

Dear Leora Maijala,

I am thrilled to apply for the Production Supervisor position at Tesla. The opportunity to contribute to a company that is pushing the boundaries of innovation and sustainability excites me deeply.

With over a decade of experience at Procter & Gamble, I've honed my skills in production management and team leadership. My career has been defined by a relentless drive for efficiency and quality, ensuring that every project meets the highest standards.

Some key achievements from my previous roles include:

- Spearheaded a process optimization project that resulted in **20% increased production efficiency** at Procter & Gamble.
- Led a cross-functional team to achieve **zero workplace accidents** over two consecutive years.
- Implemented a cost-saving initiative, reducing expenses by **\$500,000 annually**.

My background is complemented by a strong expertise in Lean Manufacturing and Six Sigma, providing a solid foundation for tackling the challenges of Tesla's fast-paced environment.

Additional qualifications include:

- **Certified Lean Six Sigma Black Belt** with a focus on continuous improvement.
- Recipient of the **President's Award for Excellence** at Procter & Gamble.
- Volunteer coordinator for community sustainability initiatives, reflecting my commitment to environmental stewardship.

Tesla's mission to accelerate the world's transition to sustainable energy resonates deeply with my values. The company's commitment to innovation and its recent advancements in battery technology inspire me, and I am eager to bring my skills to such a pioneering team.

I am enthusiastic about the possibility of discussing how my experience and passion align with Tesla's goals. Thank you for considering my application.

Warm regards,

To

Leora Maijala
