Dear Airl Galyan,

I am thrilled to apply for the School Counselor position at Presence. The opportunity to contribute to a team that prioritizes student well-being and growth is incredibly exciting.

Some key achievements from my previous roles include:

- **Increased student engagement** by 30% through innovative mental health workshops.
- Spearheaded a collaborative project with the Hazel Health team, resulting in a 25% improvement in student satisfaction.
- Developed a peer mentoring program which led to a **20% rise in academic performance** among participants.
- Implemented a successful conflict resolution framework, reducing student disputes by 40%.

In addition to my achievements, I bring a strong background in crisis intervention and am certified in trauma-informed care, which I believe will be invaluable in addressing the diverse needs of Presence's student body.

Leadership and community involvement highlights:

- **Certified School Counselor** with a focus on adolescent mental health.
- Awarded "Counselor of the Year" at Hazel Health for exemplary service.
- Led a community outreach program that engaged over 200 families in wellness education.

Presence's commitment to innovative educational support deeply resonates with me. I am particularly impressed by your recent initiatives in remote counseling, which align with my passion for accessible mental health care.

I am eager to bring my skills and dedication to Presence and would welcome the chance to discuss how I can contribute to your team further.

Sincerely,
