

Lonnie Hodak

Accountant

Profile

Detail-oriented accountant with two years of experience in financial analysis and reporting. Proficient in managing accounts payable/receivable, preparing financial statements, and ensuring compliance with regulations. Skilled in using accounting software to optimize financial processes.

Employment History

Junior Accountant at Deloitte, SC

May 2025 - Present

- Reconciled monthly bank statements and identified discrepancies, reducing errors by 15% through detailed analysis and cross-checking.
- Assisted in the preparation of quarterly financial reports, ensuring compliance with GAAP standards and improving report accuracy by streamlining data collection processes.
- Collaborated with senior accountants to conduct audits for mid-sized clients, enhancing audit efficiency by 20% through effective task prioritization and time management.
- Implemented a new invoicing system that decreased processing time by 30%, resulting in faster payment cycles and improved client satisfaction.

Accounting Assistant at PwC, SC

Apr 2023 - Apr 2025

- Streamlined monthly reconciliation processes, reducing completion time by 20% and improving accuracy in financial reports.
- Collaborated with cross-functional teams to implement a new accounting software system, enhancing data accessibility for over 50 users.
- Managed accounts payable and receivable operations, ensuring timely payments and collections while maintaining an error-free ledger.
- Prepared detailed financial statements for quarterly audits, contributing to a successful audit process with zero discrepancies noted.
