Profile

Motivated pharmacist with two years of experience, dedicated to optimizing patient care through medication management. Eager to expand knowledge and skills in a dynamic healthcare environment, committed to continuous learning and improving patient outcomes.

Employment History

Pharmacist at CVS Health, MS

Jun 2025 - Present

- Spearheaded a medication therapy management program that increased patient adherence by 17%, enhancing overall health outcomes and reducing hospital readmissions.
- Collaborated with cross-functional teams to streamline prescription processing, decreasing wait times by 23% while maintaining high accuracy in dispensing medications.
- Mentored junior pharmacists and pharmacy technicians, fostering a culture of continuous learning and professional growth, resulting in a 15% improvement in team performance metrics.

Pharmacy Technician at Walgreens, MS

May 2023 - May 2025

- Assisted in the training and onboarding of 15 new pharmacy staff members, enhancing team efficiency and reducing error rates by 12%.
- Spearheaded a project to streamline inventory management, which reduced medication shortages by 18% through improved tracking systems.
- Developed a customer feedback loop that increased patient satisfaction scores by 25%, fostering stronger community relationships and repeat business.
- Implemented an automated prescription refill reminder system that boosted monthly refill adherence by 30%, ensuring better patient outcomes.
