

Jannis Postiglione

Security Analyst

Profile

Security Analyst with 3 years of experience in threat detection and risk assessment. Proven track record in safeguarding systems, enhancing security protocols, and responding swiftly to incidents. Adept at collaborating with teams to ensure robust protection measures.

Employment History

Junior Security Analyst at CrowdStrike, NH

Jun 2025 - Present

- Identified and mitigated over 125 security threats monthly by implementing advanced threat detection techniques, leading to a 30% reduction in incident response time.
- Collaborated with a cross-functional team to enhance the company's cybersecurity framework, resulting in a 40% increase in system resilience against cyber-attacks.
- Spearheaded a project to automate vulnerability assessments, decreasing manual workload by 50% and improving overall efficiency in risk management processes.

Education

Master of Science in Cybersecurity at Dartmouth College

Mar 2018 - May 2022

Relevant Coursework: Network Security, Cryptography, Ethical Hacking, Digital Forensics, Cyber Threat Intelligence, Risk Management, Security Policy and Governance, Incident Response, and Cloud Security.
