Profile

Motivated Security Analyst with 2 years of experience, adept at identifying vulnerabilities and implementing solutions. Eager to learn and grow in dynamic environments, with a strong commitment to safeguarding data and systems while adapting to evolving security challenges.

Employment History

Junior Security Analyst at CrowdStrike, SD

Mar 2025 - Present

- Collaborated with senior analysts to develop and implement security protocols, resulting in a 23% reduction in false positives within the first six months.
- Analyzed over 2,500 security alerts weekly, identifying critical threats swiftly and contributing to a 15% increase in incident response efficiency.
- Assisted in the creation of training materials for new hires, enhancing onboarding processes and reducing ramp-up time by two weeks.
